Dear Client,

WELCOME TO RUIMSIG COUNTRY CLUB

Ruimsig Country Club is a Gary Player designed, 18-hole championship golf course, that opened its doors in April 1986, making it one of the youngest South African golf courses that is not an 'estate' course. The course features strong rolling terrain, large, undulating greens and has a scarcity of trees.

The ease of access and ample parking, with the Ruimsig Clubhouse offering entertainment areas, accommodating upwards of 200 people, enhances the success and simplicity of the venue. Kiaat trophy cabinets, warm parquet flooring, splendid, cool patios, two bars and plentiful open space create a highly sought after venue for corporate and charity golf days. 3 large function halls with conference facilities for large or small, corporate or intimate gatherings are easily adaptable to accommodate visitors.

CONFERENCE RATES & PACKAGES
