

Ruimsig Senior Golfers

Week ending 26 June 2020

Dear Senior golfer,

Senior golf at Ruimsig is up and running again. Last week we had 36 and 40 players on Tuesday and Thursday respectively. Bookings for the coming week is promising and we should have +- 48 players on both days. We must however not loose sight of the fact that we are experiencing a pandemic that none of us has experienced before. We must take caution and be responsible for our own as well as other's safety and health. **The committee urges everyone to be cautious and apply the basic safety rules of regular sanitizing, social distancing and mask wearing (where applicable).** If you don't feel well, rather stay at home and don't jeopardize the health of others.

The committee is having a meeting this coming Tuesday. Any suggestions regarding our current booking system, competitions or any other suggestion you would like to make, can be forwarded to any of the committee members.

Welcome

We would like to welcome the following Senior players:

Pule Mashigo
Bernard Laval
Thys Garbers

Trust that you will have many enjoyable rounds of golf with the Seniors at Ruimsig

Please note

Masks *COMPULSORY* in and around the Clubhouse
